You bring any Transformers with you?
Only a couple.
Figures.
Say, what's in here?
Uh-
!
Wow, look at all those anime pinup girl figures.
Not THAT many.
You have NO right to make fun of my toys.
Fine, I'll stick to snarking on the Amiga stuff.

So, where did you get all those figurines and space ship models?
I dunno, various places, online mostly.
It's your fault, you know.
MY fault?
Yeah. Seeing your toy collection inspired me to start collecting thing I was interested in.
Like half-naked anime girls?
Ha-ha.
Anyway, I'm a little surprised that, since I inspired you and all, that you never mentioned this to me before now.
What's the matter, you ashamed or something?
Of course I am! Why, is that unusual?
Oh - umm. I guess not.

I'm cooking. what would you like for dinner?
What are the options?
©EWS
Well, we have salisbury steak, and those molded barbecue rib patty things.
That sounds like...
Oh yay.
Burger!
Well, guys who live alone aren't known for doing a lot of home cooking.
So which do you want?
Perhaps we could go out instead.
I was waiting for one of us to say that!

Isn't this nicer than some frozen meal?
I suppose, I'm not that picky about what I eat.
Good to know when I do some cooking.
I didn't know you drank.
I don't usually - just some liqueur once in a blue moon, It's not like I'll be driving tonight.
Any special reason for booze tonight?
Oh, I dunno, just trying to take the edge off and relax. Maybe knock back a few of my inhibitions.
Oh?
ahhh...

Hey there. I'm visiting with Sabrina.
Always nice to meet a new toy.
I guess maybe you don't like being called that. you probably prefer "display model" or something like that
Do you even talk?
Hello?
If you can't, that's fine. I was just curious what it's like for differ—
LOOK, I'M IGNORING YOU, OKAY!?
huh? - Why?
Transforming robots... aren't good science fiction.
Say WHAT!?

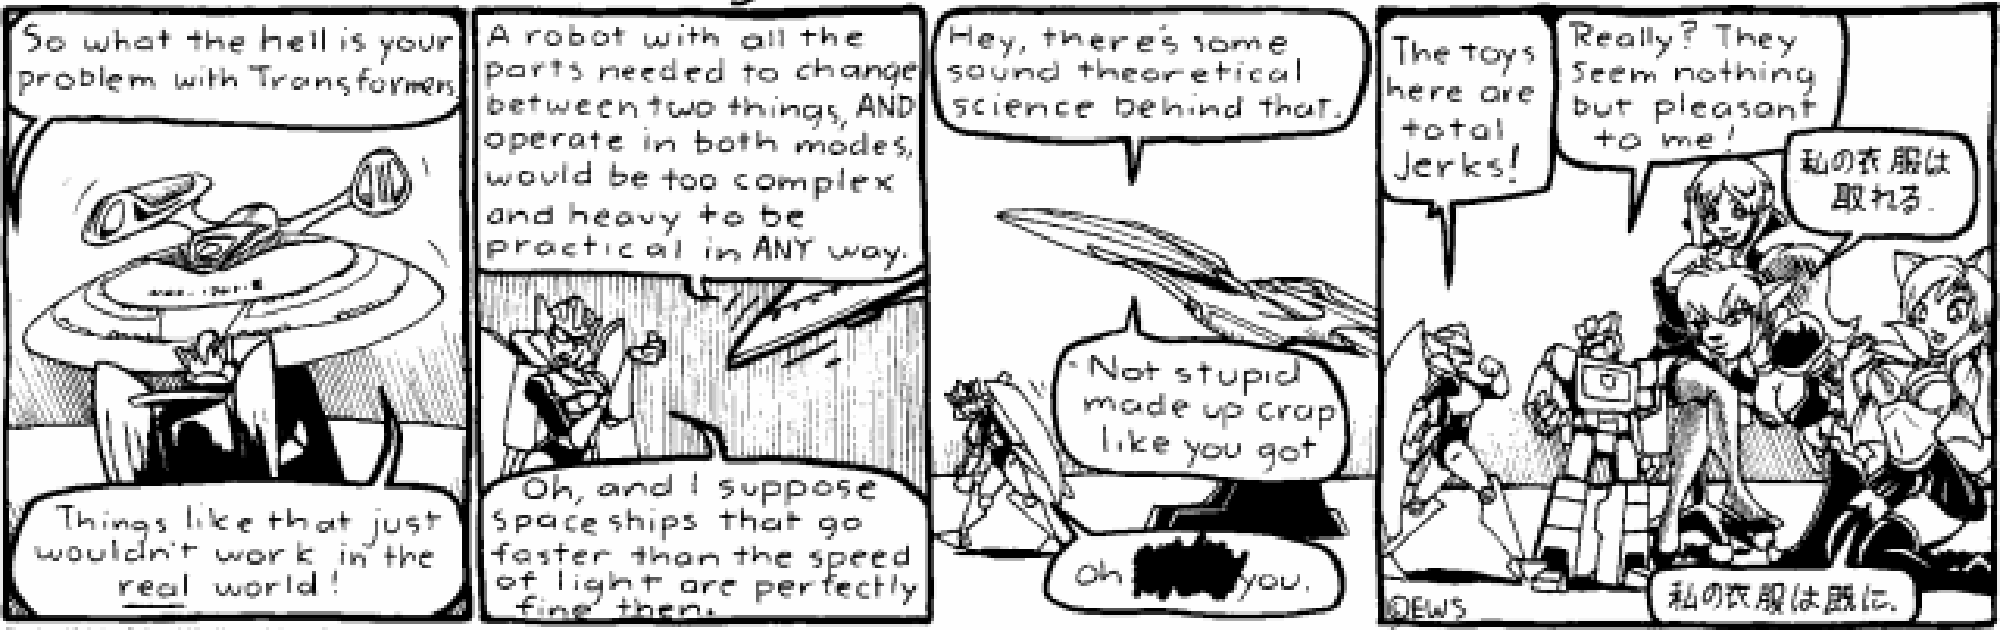
"Perhaps 'E' stands for 'elitist' "



So what the hell is your problem with Transformers
Things like that just wouldn't work in the real world!
A robot with all the parts needed to change between two things, AND operate in both modes, would be too complex and heavy to be practical in ANY way.
Oh, and I suppose spaceships that go faster than the speed of light are perfectly fine then.
Hey, there's some sound theoretical science behind that.
Not stupid made up crap like you got
Oh [redacted] you.
The toys here are total Jerks!
Really? They seem nothing but pleasant to me!

Apologies for the usage of babelfish.

I'm afraid the bed's kinda small.
Mm-hmm.
I suppose I can let you have the bed, and I'll sleep on the couch.
Now, I wouldn't dream of putting you out like that.
It's no problem sharing space as long as we...
just
I'll
stay
close.
heh.
Who am I to argue?
Sorry, I might be picking up some bad habits from work.
Not bad at all from my point of view.

Why are the lights out?
I don't know. He's usually awake by now.
If he's still asleep, maybe we shouldn't bother him.
Don't be silly. He should be up by now anyway.
Richie?
SHRIEK!!!
Oh HELLO there!
©EWS
It's so great to meet you! We're Richie's parents.
um - Hello.
Could you please hand me the clothes over there?

It's just so wonderful to meet you, Sabrina. I'm Rainflower.
Yeah — I'm really sorry that you ended up walking in on me — naked, — in bed with your son.
Oh, silly, there's absolutely nothing to apologize for. The body is a beautiful thing, and you both were acting just as nature and biology intended
You all right dear?
Sorry, I think I just had a stroke or something.

So, Sabrina - what do you do?
You mean my job?
If that's your scene...
Well um - I do graphics and website work for some company.
Heh, no wonder Richard digs ya. He's all about that computer stuff.
Er - yeah.
In fact, he helped us set up our business on the internets.
Really? so what do you do?
Well, Rainy's got her hand-made crafts, and I fix up and sell valuable stuff I find in peoples' trash on Ebay!
Ah.
neat.

Dad, I thought I told you guys I wanted to be left alone for the weekend.
Sorry, but you know your mother when she's got Something on her mind.
Besides, you weren't trying to be alone, were you?
Well, no.
Before this, I was startin' to think you might be gay.
You WHAT!?
Not that there's anything wrong with that. Your mom and I would've totally supported your lifestyle.
You know how tolerant and progressive we are. We'd love you exactly the same no matter how gay you were!
Yet... I'm not.
Right, exactly!

Check out Sabrina Online at http://www.sabrina-online.com

So...?
So what?
So, what's it like with a skunk?
©EWS
Dad!
Hey, just wanderin', kid. Y'know, before Rainy became my old lady, I got around. Never met up with any skunks though.
You don't—
I mean, I've heard they can be pretty wild - at least they sure were in those videos I keep in that shoebox in the back of the closet.
I am NOT having this conversation with you.
- at least I think they were all skunks. One of 'em had these stripes like a zebra or something.

Hey there, sorry about us messing up alone time for you two.
That's OK. It's not a big deal.
©EWS
Now, I know how it can be. Rain 'n' I always had roommates and family getting in our way back in the day.
Really.
I think you'll find some obstacles make it all that much better, 'specially with a sweet sexy slice like yourself.
Hey!
Sexy, huh?
Oh YEAH! If I was just a few years younger and single, oh, what I would do to
DAD!!

So Mom, why did you guys come by? I told you I was gonna be busy for the weekend, didn't I?
Sorry dear. There was something that I wanted to tell you about.
I think Dad mentioned that. What was it?
Well, you see Richie, I've been taking these pottery classes at the community center.
And?
And... There was this girl in the class that I thought would be just perfect for you to meet.
So... since, umm... Never mind.

Mom, can you do something about Dad? He's practically coming on to my girlfriend!
Sure looks like it, doesn't it?
Shouldn't you have a problem with that?
Now you know your father appreciates beauty in all its forms, cute girls especially, and it's not my place to stand in the way of his happiness.
It was his fun-loving attitude that attracted me in the first place.
Maybe, but right now who knows what lines he might be feeding her.
-and Richard was born about a year later. It was the happiest moment of both our lives.
Sounds like you two have a great relationship
We named him after Nixon as a joke. Little did we know it'd make him into such a square.

C'mon Conrad, We'd better be going.
Really?
We're only getting in the way here. It's obvious Richie and Sabrina want to be left alone, so they can get back to their weekend of love making.
MOM!
I envy you kid. Show her a good time!
For God's sake you guys!
SLAM!
Well, that was nice of them to visit.

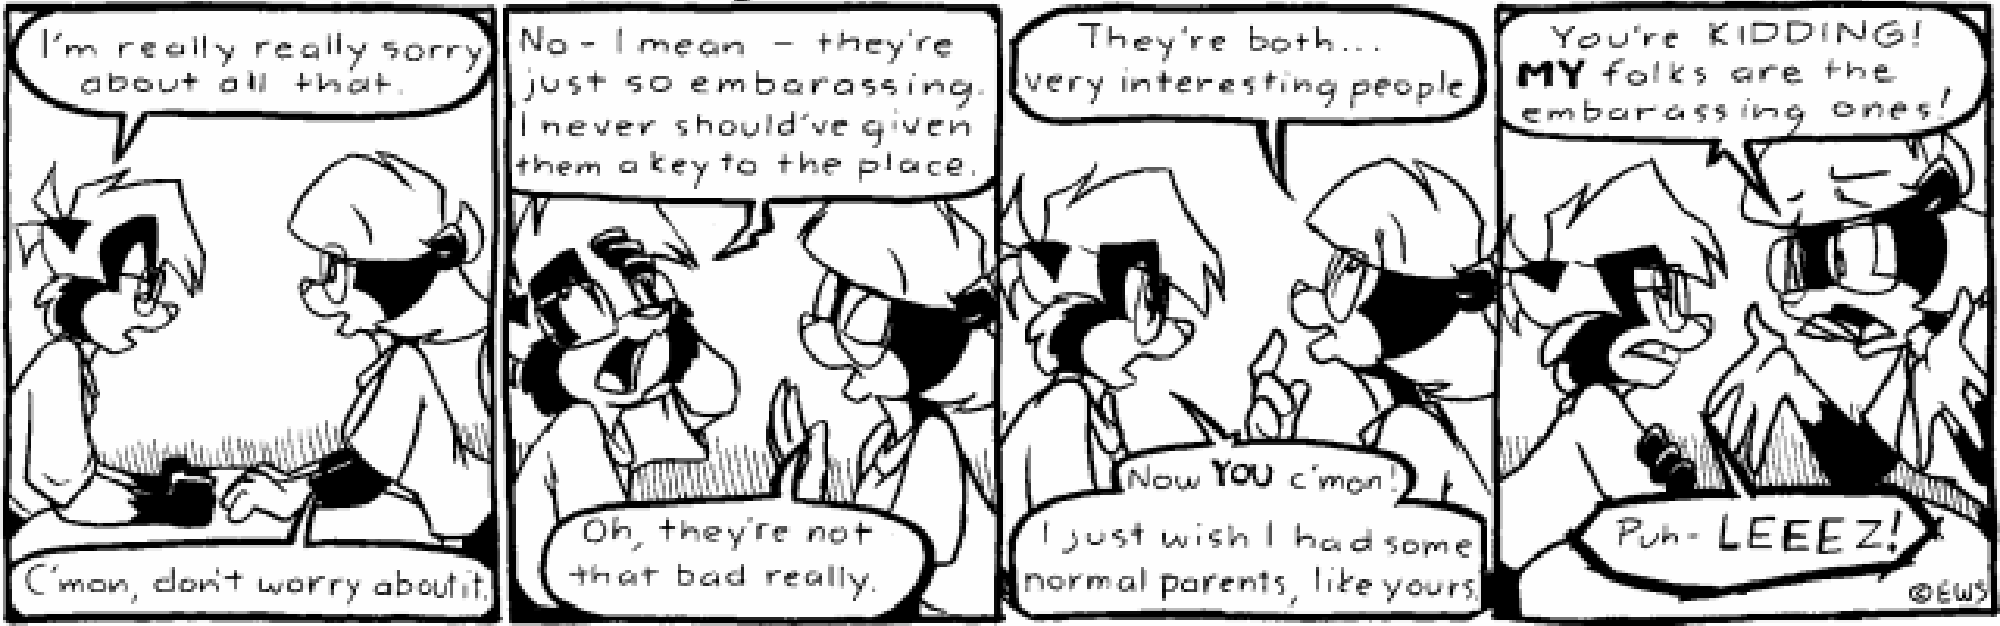
Hey Bumblebee.
Hey Bumblebee.
Hey, remember when us movie toys first showed up here?
Do I !?
The name calling.
The hurtful Comments.
I once tried to beat you to dearth with a stick!
Ahh- good times.
It took some time, but we learned to accept you guys eventually.
A few hundred million in box office and toy sales didn't hurt in that area either.
True
It certainly makes you think, doesn't it, - about tolerance an' all that.
I think we all learned a lesson or two.
Hey guys, what's goin' on?
AAH! FREAK!!
KILL IT!!

Check out Sabrina Online at http://www.sabrina-online.com



I'm really really sorry about all that.
C'mon, don't worry about it.
No - I mean - they're just so embarassing. I never should've given them a key to the place.
Oh, they're not that bad really.
They're both... very interesting people
Now YOU c'mon!
I just wish I had some normal parents, like yours.
You're KIDDING! MY folks are the embarassing ones!
Puh- LEEEZ!
©EWS

Y'know, I don't have to go home right away, especially if you start feeling better.
Apologies babe, I keep worrying that my folks will come back and that's killing the mood.
You sure?
well...
OK then, I'll see you later. E-mail me, 'kay?
Sorry.

It's weird. RC's parents are these free-spirit hippie types, and he's nothing like them.
What's so weird about that?
How do you mean?
Lots of people rebel against their parents in one way or another.
Your parents are stuffy prudes, and you're way more free and easy going
— sort of.
RC must have taken it the other way. His embarassing hippie parents turned him into a conservative nerdo by comparison.
Hey! — I suppose I can see that.
So, what kind of parents make someone turn out like you?
Yeah — we're not talking about me.

So, when is Sabrina taking us home?
Didn't you hear? She left already.
You mean she left us behind!?
I wouldn't worry. I'm sure she'll remember and take us back home sooner or later.
WHO KNOWS WHEN THAT'LL BE!?
AHEM.
Say - you wanna play cards or something?
Crap.

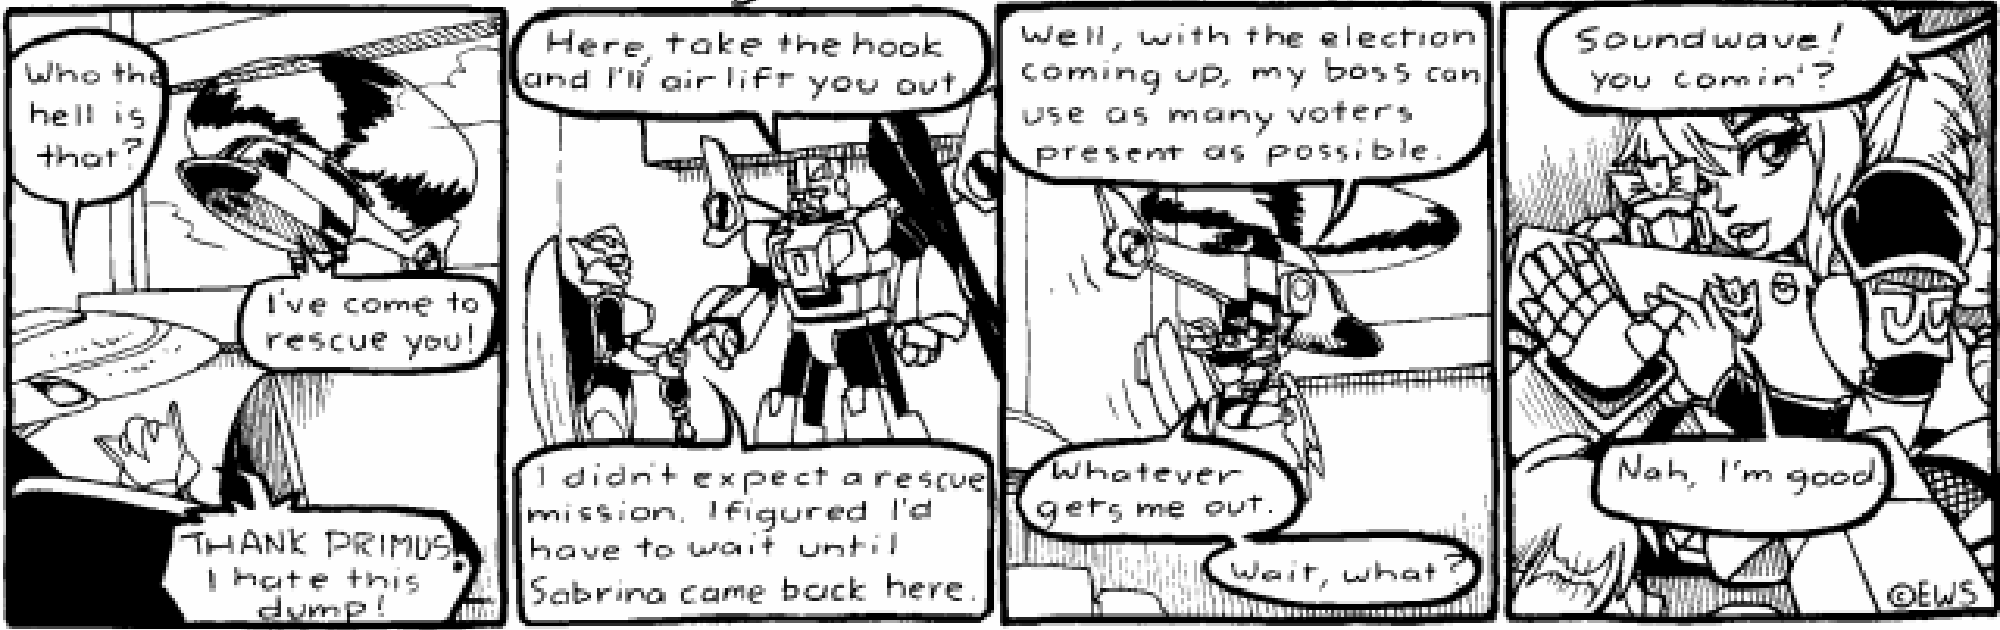
I don't get it. Why is Zig Zag so touchy about talking about her parents?
She told me about it once. Her father abused her when she was younger.
That's TERRIBLE! what kind of abuse are we talking about?
ALL kinds
OH?
Oohhhhhh...
Wow - I suppose it would be in pretty poor taste to make jokes about that.
Yeah, I'd say so.
©EWS



Who the hell is that?
I've come to rescue you!
THANK PRIMUS! I hate this dump!
Here, take the hook and I'll air lift you out.
I didn't expect a rescue mission. I figured I'd have to wait until Sabrina came back here.
Well, with the election coming up, my boss can use as many voters present as possible.
Whatever gets me out.
Wait, what?
Soundwave! you comin'?
Nah, I'm good.
©EWS

Hey Zig? I just wanted to say I'm sorry for bugging you about your parents. I had no idea about what they had done to you.
Dammit, Tina.
So - y'know - if you ever need to talk about it or something-
Why would I do that?
I dunno, I thought that's what people do.
Look, this isn't some made-for-TV movie. I got out of a bad situation and put it behind me years ago.
I don't have any deeply submerged psychological need to work through it all over again.
Fine then.
I never wanted to talk to you this much anyway.
Aww, aren't you sweet.

Hey - sorry if I was rough on you. I do appreciate your concern
No big deal. I probably shouldn't have been so nosey.
You know, I don't know if I'll ever see you quite the same way again, knowing now what I-
Now y'see, THIS is why I avoid talking about this stuff.
Now, whenever I do something rude or raunchy, you'll be all "Oh, that's just because she was abused. It's SAD, really." I'm not looking for any pity, so put that thought out of your head right now!
I'll just leave you alone then
HONESTLY! Can't someone behave playful and slutty without there having to be some deeper meaning behind it !?!

I'm Blackarachnia, and I approve this message.
Black arachnia 08
This November, the toys of Sabrina's shelves have an opportunity for true change in their elected leadership, not the same old failed policies of the current administration.
As the first black and purple female Decepticon candidate from the Animated toy line, I offer a chance to make toy shelf history. All my opponent has to offer are cynical negative attacks.
I refuse to sink to that level,
even if he is a borderline retard.

Tina, why did you tell Sabrina about my past?
I thought it was important for her to know.
That should be my call, not yours. My dysfunctional family is no one's business but my own!
You're right. Maybe I need to be punished.
Yeah, maybe you-
Speaking of dysfunction,
I'll go grab the leather straps.

VOTE!
GRIM
Sure are! It's the most important one in years!
So, where are the candidates? I would've expected to see them around here more.
©EWS
last I heard, they are both out campaigning.
Campaigning?
©E
Where?
All over Ohio. It is a "battle ground state" after all.
Isn't the election only for the toys inside this apartment?
Hmm, maybe they're just staying away to avoid being caught saying something stupid.

I haven't played this part of Quake 3 in a long time.
Seems like a good way to stay out of Zig Zag's hair for a while.

What? I'm dead already?
that was..
HEY!
Maybe if I just-
NO!
LET ME STAY ALIVE FOR MORE THAN FIVE SECONDS SO I CAN-

Tina was right. This is a great way to work out my frustrations.
HEH HEH - Take that Homer, you fat bastard!

Thank you everyone who voted and supported my campaign.
I give all due respect to my opponent, who fought a spirited—

Hey Sabrina.
Zig Zag!
Are you... OK?
Oh sure. I don't hang on to that stuff for long.
I worked out all of my frustrations on some video games - and on Tina.
